The Story of Jesus

The beginning of the gospel of Jesus Christ, the Son of God (Mark 1:1, NKJV).

Key references: Matthew, Mark, Luke, and John

For several years, “Focus on Jesus and follow His plan” has been a kind of Church motto. In 2026, Bible Advocate Press is leaning into that mission. Jesus calls us to follow Him as our Savior and Lord. In 2026, we strive to study what that means and recommit ourselves to our high calling and the worship it releases.

Let’s do this *together*! Join us on this journey to understand who Jesus is and what He has done for us. Send your article submissions to bibleadvocate@cog7.org.

Please be sure to read our writer’s guidelines at baonline.org (About/Write For Us) before you submit.
